My dear Sir

Your Lonchopetalum Orchid from Florida Curtis n. 881 is Dendrophylax Lindenii (Benth.) Benth. & Rolfe in Kew Bull. Jan. VI. 1902.

The other Orchid sent separately is a Cyrtopodium (Cyrtopera) very near C. Woodfordii but the flowers are smaller the mentum scarcely protuberant the lateral lobes of the labellum more spreading etc.

Yours very truly

George Bentham
